Mr. Brenneke discussed the website project progress. We had a presentation from Iron Gate at the last meeting. Next steps are to complete a questionnaire to identify priorities for our new website.

Mr. Erbse presented a citizen question. The citizens wanted to know if they needed permits to build a garage. The response from our legal representative is to get any permits from Wayne County because Spring Grove does not issue permits.

Mr. Catron mentioned that a resident in the Heights is not mowing their lawn and needs to have a warning that our exterior maintenance ordinance was in place for us to issue fines. Mr. Sickmann will draft a letter.

The Board returned to the conversation regarding the Salary Ordinance. A motion was made by Ms. Chasteen to increase the Board member pay to \$2,400 and the Board president to \$3,000. Mr. Catron seconded. All in favor.

With no further business to discuss, Ms. Chasteen made a motion for adjournment. Mr. Erbse seconded. All in favor.

The meeting was adjourned at 8:00 p.m.
